Main functions of Vigilance Officers

- Vigilance Officers of ICAR Institutes function as representative of the Chief Vigilance Officer (CVO) of ICAR. They furnish periodic report on various issues related to the Institute having vigilance angle.
- They maintain a close watch on the functioning and performance of the Institute at different levels especially from vigilance point of view.
- They review periodically and modify the working procedures so as to minimize the scope of mal-practices and harassment to public.
- They assist and guide Head of the Institute in all administrative, financial and vigilance matters for the overall improvement of organization.
